The Group 5 races, now on **Saturday** are Racing Club events. This means that the Racing Club rules apply and no points can be scored for the championship. The password is still the league password. These races are a service to those who didn't make it to the top 100. At least they can still drive a race after a week of hard practice.

Warning to all drivers

We are a bit disappointed with last round racing. There were too much cutting going on and too many incidents being reported, this is especially for group 3. We are giving all drivers a heads up to please try to behave on track. Racing is fun, winning is a great feeling. But racing clean is much better, and especially good for your image.

Please read and obey the Rules and Regulations for this League here:

10 sec penalty Fernando De Almeida for multiple cutting the track

30 sec penalty for Anibal Moreira for multiple heavy cutting of the track, nearly all laps Mcdonalds chicane going straight through, plus several other occasions too.

Also a final Warning to Anibal Moreira. The next multiple/excessive cutting will result a DQ.

Further Race Director Rulings

Paul Patrick & Sergio George: Used a default skin. Due to the number of issues with custom skins not showing and because it had no impact on race results, no penalties imposed this time. However, the reported driver is warned to comply with the regulations regarding skins, and if your custom skin is not available, then you must select the single drivers skin. Further breaches will result in penalties for future races.

Foxs Yiu: Because several warnings during previous rounds and disqualifications for round 5 and round 7, it has let us with no other choice but to **remove Foxs Yiu** from the league. Foxs Yiu is no longer able to qualify and or participate in any of the upcoming rounds of the RD WTCC league.

Non-Reported Absences:

As advised in the League Rules and regulations, this is a serious issue since it prevents other drivers from gaining spots in the League Rounds. All competitors were also given a final warning via the Forum. The following drivers were pre-qualified for Oschersleben, but did not race and did not submit valid absence reports, or reasons deemed acceptable by Race Directors, via the correct email method before the pre-qualification for Round 8 was opened. Therefore, the following drivers are excluded from pre-qualification for Round 8.

Vianney Ng
Helder Assunvao
James Johnson

Absence

If you can't make it to the race, while you did set a lap time in pre-qualification, you must **report your absence**. You can do this by sending an e-mail to absences@racedepartment.com. Don't forget to add your name and startnumber in the "subject" of the e-mail: WTCC – [name] – [start#]. You must do this at least 24 hours before the start of the race!

Incidents

If you have encountered a driver breaking the rules or making questionable manoeuvres, you can contact the Race Direction to let them investigate the matter. You must however make sure you have **checked the replay** of the incident before you report anything. Reports can be sent **between 3 and 48 hours after the race**. Please make sure you also add the names of the involved drivers, their startnumbers, the time of the incident (in replay seconds) and a short description of the incident.

Send you incident reports to incidents@racedepartment.com.

Drive in your skin only! If your skin is not in, then drive the RaceDepartment Single Driver skin.
